FOR BIG KIDS

Did you think Latitude was just for kids? Well think again! With over an acre of aerial activities on offer, Latitude will challenge the body and mind of big kids too.

An event at Latitude will get your adrenaline pumping as you and your group tackle our climbing walls, trampolines, obstacle course and much more.

Whether you are fresh from the boardroom or the basketball court, Latitude has a package for you. Our events team will take the stress out of planning your next group event and make it one to remember.

ALL OCCASIONS

Events at Latitude are awesome for any occasion. From team building to work functions and full day workshops, we’ve got you covered. We have a well-equipped function room with audio visual facilities for presentations and workshops.

ALL-INCLUSIVE EVENT PACKAGES

There’s no such thing as one size fits all, so we’ve created four unique activities, each with their own focus, challenges and thrills. Starting from $32pp, all packages include your 60 minute group activity, Latitude grip socks for everyone and your choice of catering with drinks.

The activities outlined in this brochure are ideal for groups of 10 - 80 people. Larger groups can be accommodated with a bespoke package, just give us a call and find out how.

**ACTIVITY 01**

**THE AMAZING RACE**

Brawn alone won’t be enough to win this race – you’ll need the brains to match in this team focused challenge!

Cooperation, strategy and teamwork are the order of the day, as teams race to be the first to finish this action packed course.

**YOUR TEAM MUST WORK TOGETHER TO…**

- Cross the suspended obstacle course
- Make it through the climbing challenge
- Climb every single climbing wall as a team
- Complete a basketball free throw relay
- Scramble up the trampoline to get the whole team on to a single platform
- Clear our dodgeball target relay
- Leap off the tower onto the airbag
- Freefall off our down rush platform

---

**ACTIVITY 02**

**THE HIGH FLYER**

Energise your team to take it to the top!

You will need to work together to overcome obstacles in this climbing and height focused challenge. Put your faith in each other to make it through this treacherously fun course. It will lift your team’s spirit sky-high.

Great for communication, collegiality and rising to the challenge.

**AIRBAG**

Take the leap of faith from the tower onto the giant airbag. Flip, drop, or flop – it all counts, as long as you take the plunge.

**OBSTACLE COURSE**

Put your trust in your partner as they guide you across our suspended obstacle course while blindfolded.

**ROCK CLIMBING**

Scale our climbing walls using only one colour of handhold. Listen to your team on the ground, or else you might end up stuck between a rock and a hard place.

**DOWN RUSH**

Once you climb to the top of the tower, you’ll have just enough time to gather your nerves (and breath) before leaping off and feeling the rush of the freefall.

**STEPPING POLES**

Ascend our famous pink stepping poles…are they wobbly, or is it just your knees?
Dig deep and help your team rise to the top!

Race around the activity floor earning points for your team in this adrenaline fuelled mix of group and individual challenges.

**INDIVIDUAL CHALLENGES**
- Cross the gladiator beam while your team balances on it
- Cross the suspended obstacle course blindfolded
- Climb to the top of our advanced climbing walls
- Make it through the climbing challenge
- Compete in a basketball shootout

**TEAM CHALLENGES**
- Dodgeball contest
- Tug of war
- Climbing wall relay
- Trampoline relay

**BONUS!**
Be the first team to complete all group and individual challenges and pick up bonus points!

**ACTIVITY 04**
The Air la Carte

Pit team against team in a tournament with attitude!

Create a one of a kind event for your teams to duke it out! Pick four activities for a one hour event, or all six if you’re in for two hours.

**DODGEBALL COMPETITION**
Battle it out in our dodgeball arena as you and your team fight to be crowned king of the court.

**BASKETBALL RELAY**
Race to be the first team to finish this free throw shootout. Make your shot and pass the ball on. If you miss, your team must start again.

**ROCK CLIMBING RELAYS**
A vertical relay race that will take speed, strategy and teamwork to win.

**GLADIATOR**
Giving new meaning to the term ‘knock-out tournament’, teams will battle it out on our gladiator beam in an effort to be the last ones standing.

**TUG OF WAR**
Heave Ho! Strength isn’t all that’s needed to win our tug of war competition - you’ll need to work as a team and pull together to overcome your opponents.

**TRAMPOLINE RELAY**
Get into teams and line up side by side. Each player must complete a seat drop and land on their two feet. If you fall you start again. The first team to complete the relay wins.
Our all-inclusive event packages include everything you need to get the fun started! The price includes your team activity, Latitude grip socks for everyone and your choice of catering package, including drinks. There are no hidden charges, it is a complete package.
