A huge thank you to Latitude for an awesome group session! Our hosts went above and beyond to make sure we all had an awesome time – they were super engaged with every one in the group and did a great job of encouraging us all to reach new limits. The team was accommodating to our groups variety of needs. I will be highly recommending Latitude :)

FIRST CLASS TREATMENT

Nothing is too much trouble, just ask us!

This year we organised a fundraising party for the Hutt St Centre at Latitude Greenacres. We took over the whole venue, the staff dressed up as superheroes for our themed party, the kids had a blast jumping on trampolines and climbing, and the event was a resounding success. Thank you Latitude for making our event awesome!
